

5 o'clock.

Dear Mart. I take this novel
method of communicating with
you. we are going up to hunt
Ellie's - she has sent for me - ~~they~~
hence the reason of my running
away this eve'g - if you feel like
taking the trouble - will be glad
to have you walk home with us.
The reason I write this now - have
my desk before - writing some letters,
will not have an opportunity
later. I did not intend writing
such a lengthy - 'Card' - ~~so~~ but
like my tongue, my pen sometimes
runs riot. Adios - untill we meet.

Yours as ever

Lucie.
