

Dear Susie,

I am so sorry that bad Nannie
is always going up town, I thought I would
have two nice times, one with the Dommers,
and the other with you, but of course
disappointed in the one I would have
enjoyed the most, I would like to come
down but I have a few letters to
keep with me.

Yours affectionately
Mamie

P.S. This is the only sheet of
paper I have; so please excuse blots
on it. I left the goods to have
my domino made, hope it is done.
~~Love from~~ M.
