Dear Susie,
Thank you, thank
you; for your note, for that
little blue — was after me
again, I knew you went to the
Depot, well I thought she might
have looked in, Yes Susie (tell
me which) if was your note
that made this little one "get"
And if I do not burn your
note, she will not trouble me,
so I will not burn it. we
have been quite busy all night
getting quiet now, Thank
you Mr L — to see you,
Goodbye good Susie,
Your affectionate
Mamma

Do not get worried with me for
not burning your note.

M.
