

Annapolis Md March 25/74

My dear Susie,

I am so sorry
that I cannot come down this
morning (it is not the rain that
prevents me) which would you
rather have if either, a note
or to see me, I reckon you
will say both bad, six to one
and a half doz. to the other.

How did you rest last
night, did it not rain hard, I
did not stop at the "relay" to
warm up.

Saw Miss Per-
saps by, she is as large as ever,

You were a bad Susie
to destroy that piece of paper last
evening, but maybe you will
be good, and send me a piece
this morning,

I am your affec-
tionate
Mamie
