

"Stove"

April 23rd 7-10 P. M.

Why have I not heard from
Aunt Susie, I will, I know my
poor old note did not deserve
an answer, for has she got
time of writing to me, what
did I say, in it, it was not
my intention to say any thing
to her.

Trusting I will see
her - this evening, I am her aff.
