My dear Sasi,

I did not receive your note with the kind invitation to go up the creek until 4 1/2 o'clock. Thank you dear Sasi for both, indeed good Sasi I would like so much to go, but cannot, Mr. B. left a few minutes after I returned if he had not I could come down, I expect you have left before this 4-50- and hope you are having a nice time.

You are so good dear Sasi to write to me, and ask me to go, and I only wish I could.

Goodbye dear Sasi,

Yours affly
Maur

Will I see you this year
