Dear good Susie,

How to Thank
you for the sweet flowers
and note you sent me I
do not know, Oh! how much
I do enjoy them, indeed
Susie I felt so much better
after receiving them, you
were so good, to think of
me, I must have had
some thing of a chill, I awoke
at you about 12 o'clock
yesterday morning, though
I was down to your house,
and what, a nice time I
was having, will tell it
to you, when you tell me,
yours,

Did you go up town
last evening, I looked out for you
