1865.	8,300.	4,635.	40,730.	30,500.

Tobacco. The Inspection of Maryland, and Ohio shows a large decrease - of Kentucky a small increase - during the past year. Of the Manufactured article there has been a great revival of business, which is likely still further to increase. At the close of the year the stock was light, and the demand active. Tobacco Inspections at Baltimore for the last six years.

Years.	Maryland.	Ohio.	Kentucky & other States.	Total.
1865.	25,479.	15,396.	3,077.	43,952.
