In the name of God Amen I Aquila Paca of Annapolis do make this my last Will and Testament this twenty seventh Day of April One thousand seven hundred and eighty five.

Imprimis I give devise and confirm to my Son John Paca and his Heirs all those several Tracts of Land in Harford County called Dolph, Dolphs Neglect, and all that part of Goldsmiths Hall which belongs to me. But as the said Lands are in dispute and there is a Posibility that the said Lands may not be my Right and Estate it is therefore my Will and Intention that in Case and on Condition that the said Lands should be adjudged the Right and Estate of others, and not mine so that my said Son cannot claim them by this my Will nor as my Heir or Issue in Fee or in Tail then and under such Circumstances I hereby direct Authorize and impower the Guardians hereafter mentioned or any two of them to sell and dispose all my Lands and Real Estate in Harford County for the best price to be had at public Vendue either for Cash or Credit as they may think the most beneficial and I hereby give and devise the Monies arising from the Sale thereof to my two Sons John and William equally to be divided between them the Interest thereof, and if Necessary a part of the Principal to be applied for their support and Education — But if the said Lands devised aforesaid to my Son John should be recovered and Adjudged my Right and Estate and go to my said Son John as above intended then the above clause respecting the Sale of my other Lands and Real Estate, and the Devise of the Monies be void and in that case I give and devise the said last mentioned Lands and Real Estate to my Son
