

Sir
 I rec^d yours of the 16th June, but am at a loss to know what is
 meant by rendering an Act of such Duties as ought to have
 been rec^d by ^{me} since the expiration of my Collection - you will
 find all my Act in the Loan Office Valley which I paid up a
 Copy of the last I have by me. I have paid the Office due & it
 ought to have rec^d for Duties of every kind - perhaps I may
 not understand what is required of me & I shall be glad you
 will inform me further by the next opportunity - I am
 Sir

Y^r Very Obedt Serv^t
