

in 32 days from France. The Alford of said...
 intention, not yet met by the opportunity any that had
 from one Commission at Paris, that he had yet desired
 preceding them, as the papers may be seen.

The Congress has passed some observations...
 brought to it, to counteract their...
 least the possible bad effects they might produce in the
 mind of the People, if published without...
 These observations will be printed to day, they will be
 immediately distributed through out the United States.
 I fear they are not so perfect as they ought to be, but
 of want of business, & want of time, must & will, do with
 sufficiently apologize with an impartial Publisher
 for all their imperfections. I am with great regard
 Dear Sir, your most obedt. Servant

Ch. Carroll of Maryland
