We are however convinced that so late as the present if the  
Country affords no nest in the United States and we  
suspecting power over it be lodged in Congress that several  
of those States will lose numbers of their people pressed by  
the weight of Taxes to quit their native Countries, and invited to  
exchange them for new Settlements by the certainty of cheap  
purchases and of being relieved from their present heavy  
and increasing burdens ~~in the same manner as in~~

thus convinced we shall betray the trust reposed in us  
by our Constituents, were we to authorize you to ratify on  
their behalf the Confederation unless it be further explained.  
we have early and dispassionately considered the subject;  
we have weighed probable inconveniences and hardships  
against the sacrifice of just and equal rights. And  
do instruct you not to agree to the Confederation unless  
an Article or Articles be added thereto in conformity with  
our Declaration; ~~shortened~~ OF THE STATE OF  
MARYLAND. in obtaining such  
Article or Articles then you are hereby fully empowered to  
accede to the Confederation -

That these our sentiments respecting the Confederation  
may be more publicly known and more explicitly and  
concisely declared we have drawn up the annexed  
Declaration, which we instruct you to lay before  
Congress, to have it printed, and to deliver to each of the  
Delegates/
