

Philadl. 2<sup>d</sup> June the 6<sup>th</sup>. 1779 (26)

Dear Sir

25<sup>th</sup> Your Letter of the 4<sup>th</sup> of June we had the Honour of receiving yesterday. We shall prepare by the next Post a Summary of the returns of the Army for the inspection of the General Assembly. We have consulted the Board of War upon the latter part of your Letter, and they join in opinion with me; that Congress will readily allow for the Cloathing furnished the recruiting officers and recruits. ~
