(161)

In Congress; Jan: 24th 1778.

161

Resolvd. That a letter be written to gov. Johnson, thanking him for the pains he has taken as to the purchase of Salt, & accepting the 1350 bushells mentioned in his letter. to be delivered to the order of the commissary general, who has undertaken to proceed in the purchase of what more is immediately necessary, agreeably to the information given by the governor on that subject.
