If the Say Much More a Bout the Salt I had
Sind Sum of it Down to you, I Promise to Have
to Send Sum More into Every Bushell Land
I Raly Wish the People had Salt, Capt
Martin will Be Loded a Bout Wednesday
I Think But if he Sails Monday or Tuesday
Week I Shall think My Self Well off for
it is Impossible to Make the Dispatch that
I Could Wish - I am Desired to Hold My Self
in Readyness to March for New York or Jarsey
Next if I Must March I Raly Dont No what
Will Become of Your Business and Enum-
of Other Peoples But as My Country Calls
I Spose I Ought to Obey - as to Geting
More Salt for you I Declare it is Out of My
Power Nor Do I Think there is a Man in Town
that Has Choose to Put 20 Bushells of Salt
in a Ware House at this time and it Be Not
Shall Do My Best for you I am your
Humble Servant Peter Hollingsworth
