Dec.r 28th Last night a fire broke out in Town which made the
prisoners of war very Clamorous but where soon silenced
by the threat of sacrificing them all if they were not quiet

Sir

your Family are all well - Colo James Johnson
wife has taken the Small Pox in the Natural way.
your Sister Dorkey was at the furnace at the time it
Broke out on the Colo Lady which compelled her
to get Inoculated immediately with all the hands at the
furnace who had it not before - the Colo has got able
to walk about himself - Genemy with them all safe thro
