Talbot C.to Sept. 12. 1781
In Special Comiss

62 Sir

The Bearer Mr. Wm. Goldsborough having
applied for an Exchange into the Army has applied to
me for a Recommendation which I gave in his favour
Have inquired into his general Character & Behaviour
& can from the best Information give it as my opinion that he
is esteemed a young Gentleman of much Merit
& particularly that he has been mentioned by Col.
Richardson under whose Command he was in the
flying Camp as a Gentleman of a real Merit
& Bravery — I had the offer of a Lieutenancy in
it of one of the first Families in this State and me
think my justly entitled Regard favor to which
I have taken the Liberty of recommending him. &

I am Sir
with very high Regard & Esteem
Your mo. Obed.t and
Hble. Servant
