In Conformity with the act Concerning Crimes and Punishments, and agreeably to the appointment of the Hon'ble Court of Oyer and Terminer and Gaol delivery, for Baltimore County, September Term, 1813

19 The Committee Respectfully Report, that they have, with attention, examined the several apartments in the Penetentiary, and have much pleasure in stating the very great order, regularity, Industry and cleanliness throughout the whole — The Committee find no cause of Complaint among the Criminals, on the Contrary, they have stated much satisfaction at the kind and Humane Treatment they experience from Mr. Hopkins; The Committee do not deem it out of their province of duty, to represent, that the portion of Building occupied by the Women is too limited either for Health or Convenience, owing to the late encrease of Criminals; they have found twelve or thirteen crowded into Rooms, not calculated for more than eight; and they Consider the want of an Hospital apartment, for Females, is an evil which should be obviated. The Committee are convinced that there is no cause of Complaint in the power of the Inspectors or superintendant to remove: they are well apprised, that the remedy rests with the Legislature,
