(79-2)

with cause a report to be made to me of the numb-
:ber and kind of cannon at Annapolis, or in the work
which can be made use of for its defence; the kind,
and condition of the carriages for the same; or if they
are without carriages, or those want repairs,
an estimate of the cost of repairing them, or pro-
:viding new ones, also the quantity of ball &c belong-
:ing to those cannon

I have the honor to be
with great respect, Sir,
your most obt Hble Sert
James McHenry
