Frederick County Oct. 9th 1794

Sir

Agreeably to your Excellency's orders I have visited the post at Hagars Town. and established a Captains Guard of 50 Men. which I expect will answer every purpose of keeping the Prisoners safe at that place. I have also ordered a [redacted] subalterns Guard [redacted] at the Magazine I have directed Mr Lecyea to furnish the latter Guard untill further Orders The Guard at Hagars Town I got Mr Hagan to furnish. as he had been appointed to furnish the Provisions I thought it best to continue him at the same price he had Contracted with the publick — I would be thankfull for your directions respecting the Regt which are to form my Brigade Colo Lamars Regt is not considered belonging to it. & as I live in the Center of his I conceive it would be proper that it should be included your Orders respecting that Arrangement will be Conclusive and shall be punctually pursued —
