Executrix has in fact received £10,560 sterling as a compensation for this loss."

"From the enquiries that I have been able to make I am satisfied that this sum was quite equal to Russells loss; there can therefore be no further claim by Russells Executrix, on this or any other Fund, on account of that loss; and Russells claim being satisfied, there remains no claim on this fund on the part of any of the Trustees."

"Mr. Harford, and one or two others who had suffered losses as American Loyalists, instituted a claim on this fund for Compensation, and every other American Loyalist might with equal propriety have made a similar claim."

"Had not Mr. Harford, as well as others, been since compensated for their losses, it is not probable that this fund would have been deemed chargeable with their claims. But the liberal Compensation received by the American Loyalists, fortunately precludes all questions upon this head, and gives me great reason to hope that there does not now exist any motive to qualify, or to limit his Majesty's order for the transfer of the Stock in question."

Rufus King."
