Govt will open London to them the
relation between Dr P. & Dr. Commencing in
certain pecuniary transactions in 42 - then
then Dr P. lent Dr W. money - then found
that this Dr W. has been in great straits
for money - & has needed certain
conveyances of property - then at this
time all Dr W. personal property was
under mortgage to Dr P.

Dr P. was exact & scrupulous in all
his transactions - & though a liberal & good
man he was precise & exacting.

In 42 he loaned Dr W. £ in
47 he loaned further loan to the other. Then in
47 Dr P. took mortgage of Dr W. furniture
& minerals to secure payment of what was
owed on this loan & old debts.

In April '49 Dr W. by a power gave
a statement for Dr P. of what was due
which was £56 - About this time Dr W.
learned that the property mortgaged to him
was sold to Mr H. G. Stair - Dr W. offered a share
for loan of money - & proposed the purchase of
his real estate - & that an offer was then made
to him to loan his furniture.
