

Dr W was therefore immediately arrested.
These same nights Dr W. heard declarations
disseminated with East others - these he
charged on Dr the consumption of their food
or of his being a conspirator - & declared
he saw breath there than was used
the remains of Dr W.

The conduct of Dr W. from the
of his arrival to his appearance in Police Court
when he waited an examination.

On Tuesday, at the time when the
Club had previously in it, & when
was a friend in the presence he had been
with S. had a talk with him - then
asked him if he was a persecution
That was on Tuesday. Then he to the
asked him if he had got his thundering
Reason, he told him he had & then by
had an order for a turkey - & got it
at a time when as the Prof has
said he suspected S.

By way taken to the College
about the remains were brought in
circumstances were he proved - opportunity
was intended to be offered him to be present
at some of remains of his Proceedings, & to
explain any thing if he would.
