

The appearance, defendant, & number of
 dog these keys will be in evidence which
 is important in the case

There were found seats with blood
 on them - also slipping & a car towel
 torn nearly new torn floor in the vault.

While at the collar the finding kept, & W
 asked where the key was. He pointed to a
 place where he saw it was hanging, but there
 key around me first - but the true key was
 found in his pockets

key
 A large number of skeleton keys
 were found in one of his drawers which we
 got all the rooms in the cottage. He
 identified the key - he said he found them
 in the street & carried them there & thought
 they might be useful

A paper was found in possession of
 Dr. N. giving two different versions of
 the interview of Dr. P. with him

Dr. N. was afterwards bought
 by Dr. Polin come & then with a
 written advice of counsel, ~~advised~~
 & examination - finally advising that
 was can for Grand Jury
