

On Monday after he was before
the Police Court, he wrote a Note
addressed to a member of his family,
directing another member of his family
to keep certain papers unopened.

The contents of these notes, a
copy was deposited to the
Procurator. The papers have since
been sent out to the two notes & papers
mentioned respecting them.

It is a paper regarding explanation
I think I am wholly unable to understand

God will feel in examining
letters to them due certain letters were written by
J. J. before 23rd Nov + his arrest, calculated
to avoid public suspicion - These papers
have been submitted to experts

One thing is true, no explanation has
yet been made & by 2nd day of the facts
& circumstances which appear against him
- has gone into close custody - examined
them - + perhaps explanation will be given
it in the trial -

I trust be may find full satisfaction
to you & to the Civil world
