

Evidence for Court.

Charles W. Kingsley. I have been the agent of Dr. Parkman. It was in May or June 1836 that I commenced my agency for him, and has continued since that time. I had charge of his real estate and collected his rents. I generally have been every day, & sometimes more than that.

Dr. P. owned the principal part of all the Estates near the Medical College. I live in Bloomsbury Street. Dr. P. owned Estates near where I lived. I used generally to call at his house, he often called at mine.

I rec^d the day he was first seized - Monday the 27th - about 3 o'clock. He wanted to see him & called at his house a little before 3 o'clock. He lived at No. 8 Walnut St.

I knew Dr. P. through my business - through my business - I had been in Court & seen
