

us as before. L. was then & said he
could get us - they he said we
don't know he said we get us. I
don't know if he tried to get us.
Clapp had all the talk with Dr
that morning about ~~getting~~ getting
Clapp said he came to search in thatighton
& came then (to the College) to search so that
he could say to other people we had been
there. I told Dr W. should not been over
anything - that they had the suspicion
of any of the persons in the College & he
came to look into his apartment among the
rest. Dr W. said we could look round.
- that was the account of what he said. We
walked through the lecture room into the
back room, & then Clapp went towards
the small back private room - or made
motion to go towards it - and when Clapp
walked towards that room Dr W. told him
that his valuable & dangerous articles were
in that room - Clapp put his hand above
as far as the door to bend back
again & did not go in - He said he
