

I examined the knife. There were  
rusty marks on it; and tell of blood -  
On the handle of the knife - with which  
the death was very little marks suggest a  
be blood. —

Patrick Mc'Gowan. I live with Mrs George P.  
I live with Dr. P. have had with him  
Sept 6<sup>th</sup> Sept. Dr P. was sleeping in  
Friday. I did not see gentleman called at  
that house that morning & called for Dr  
P. between 8 & 9 o'clock. Do not recollect that  
any other person called. I think I should  
not know the man if I saw him.  
Can't say the Prisoner is the Man —  
The Dr was passing for breakfast was  
to office room & he went to the door. The  
Dr said yes to some questions about 1/2  
past one.

The last I saw of the Dr P. was  
about 11 o'clock - have never seen him  
since. Dr P was very punctual at
