

proposed to sell ~~the~~ her a Cabinet of Minerals.
 I told him I said we went there - he said
 I might perhaps mention from there to some
 public Instⁿ. I declined till he proposed to
 buy land - he wanted 1200 - he wanted to
 about his family - finally I told him I had
 no money; but if he could get my note
 for 100 or any Bank in Cambridge at 3 with the Gov^t
 Benchmen the Minerals, for having said that 600
 w^d be suff^{ce} for his present purpose. I told him
 he might try if he could get the discount &
 loan & see me. In the same forenoon he
 came & took my note, & gave me his paper
 for 600 in full pay^t of his Cabinet -

(Receipt dated 20th Apr 1848, is made g^o v) - in
 conformity to that Dr W. very soon afterwards
 - to me a bill of sale & Catalogue of Minerals
 - I told him when he wanted more money to
 call on me - the 6th June he called & I paid
 him in a check 200 & on 3rd Sept he called again
 & took my note for 400 & gave me a
 receipt for balance

When he gave me the bill & note
 he said I could have perhaps of having
 them - but that there at the College he
