

40 or 50 feet of the College. He had paper and
counting room. I can't tell to a minute
what time this was, it was between 1 & 2
I measured a 2 in. - I was engaged at
the time he paper in hanging off looking at
the door. I remained there at that work
all that afternoon. I then saw the Dr.
open the paper in. -

Then on the west of his going away
from the College. My door was in front of front
Street, Front St. Plain enters Street at 75 feet
from Grove St. -

I was at work in the building
directly inside of the door which was open.

I met my brother Elias and Eugene of
New the time that day, but I can't tell
what time I told him.

I heard the next day of the Dr. being
missing - it was generally known the next afternoon in
our neighborhood that he was missing.

I saw Dr. W. by sight. He came
2:30
into our place on Tuesday. He signed a
check then for the Cummings at that time.

It was on Friday of the week after Dr. P
was missing that L. came to our place to
borrow a bar, chisel and hammer - I think
the Remains were found the same evening.
I can't positively state what time, but
I think it was in the afternoon that he
came then to borrow them. The only
