

I have had charge of a tin box made
by Waterman for Dr H.

The bunch of teeth which I found in the
furnace, fell through the grate. Leachman
picked them from the hearth - the block of human teeth.

The tin box which I have, here I found a
Waterman's on Monday after the arrest. The
Minkus requested I should take it away. The Clerk
brought it to my place.

X I can't tell what the pieces were which
were sent to the ladies. I broke them off. I
lost little but my suspicion is that they were
portions of bone & are then there in those ending
them were portions of bone. I think I noticed the
bones as they lay before I broke them off. I did before
I broke them off discover whether they were
I don't know who had charge of the furnace
on Friday. I think 4 of the police were before
them Fuller and Clark-Waite & Leachman

Dr Winston Lewis & - I was one of the
physicians called to the College in Galena. I
found Dr H. Gay, & Dr Chas. R. Jackson -
Lewis requested to send such other
physicians as I thought proper. Corcoran & Hall.
