

Spent on a run spring. Was with him
about half an hour when he was ready to
go home. I had no more proposed
intercourse with him.

The day before his disappearance, he
called on me between 1 & 2 o'clock to talk about a
servant who had lived with me, whom I thought
he intended to employ.

I went ^{Monday day} to Longmeadow to spend
Thanksgiving, & returned on Monday following.
On arriving at home was told Dr Lewis wanted
to see me. I had heard of Dr P's disappearance -
Dr Lewis presented to me three portions of
mineral teeth, saying he was anxious to bring
them to me for examination. On looking at
them I recognized them to be the same with I
had made for Dr P. The most perfect
portion about I examined was that which
belonged to the left side of the lower jaw -
I recognized the shape & outline to be the
same that I had labored on so long.

Several of the other portions had been
very much injured & exposure to fire.

I proceeded to look for the mould by
which these teeth were made. - On comparing
the block with the mould of the block for
the left lower jaw, the resemblance was
so striking - There is enough left to
