

Swain took key of my room from Littlefield's room (as his brother used to do) on Monday to put something he had brought into my room - on Wed^y he could not find the key in L's room L - must have had it.

I had
iron
cave
tab.

The lock of the privy fell off when they opened it on Friday night 30th - If I had locked it I should not have left the lock loose! L - must have been there.
