

L-d would have heard my lecture room door close when Dr. went out, as it closes with a spring & is heard all over the building. Withers - & Airworth -

Sam^r Parkman - Littlefield -

L-d should first be asked to mention all the entrances to my room - & also ~~if~~ how the lecture room doors shut - if springs - how & -

Capt Stacy of the Custom house can tell about L-d's being turned out of the Temperance Lodge, & why.

Prof. Quincy testimony as to character & my doing so much & expending so much for the village cabinet & apparatus is important
Also Prof. Liverings

There is
laboratory
dissection
of the
lecture
coal is
out of the
to admit
person &
a small
be open
a stick
inside.
not look
that also
