

There are two locks on the door of the
upper room at head of stairs - one
only I locked after the lectures over-
coming Harrison - the other was
the one I locked during lectures
I of this L - had a key - & used
it to go in & make the fire.

denied all knowledge & that I did not believe
the remains of P. to be

might have got a stain of blood on bottom
of pants by going into electricity on demonstration
room - Jackson has seen me there & others

Judge M. can explain the blanket in his closing
blood on pants - an old pair used to work in
the garden - sent in in the box by Surin
