

There was no occasion for L- to make fine
on Wed 9 or from Frid^{before} to the Monday after
Thanksgiving - Or to sleep as there were
no lectures. I also stopped in at his room before
while he was at dinner on Thursday 22nd or Sat 9
& told him not to make a fine in the large
furnace.

L- often left newspapers in handle of door
as rooms were fastened - this I lost gear.
