

Should not L- d be asked
if he knows "John Mathus"?
- Ising they also?

~~If~~ What the children may
be able to state they heard me
say at any time should be
admitted, if they know
when to state what Dr
D- did -

The children recalled my
mentioning that Dr. had
several times consented to
my using the min^{ls} & that
he had talked with me
about my selling them at
auction, but that I objected
as they would be sacrificed
