

was in course -
current, at
time making
catalogue of

in recurrent
beginning day
a some large
th which I
the an appa -
nt to Mr
- when I
- Mrs W -
I they would
at at sending
(said) I had
all books

them ~ & that all the spec⁵imen
men that had been sent
here had been got from very
deep water - But I wanted
to send this to get some
from off the rocks & in
shallow water

I told Mrs W. & them on
Wed or Thursday that as I should
~~have been at the house~~
~~at the house~~ perhaps he in
the busiest part of my lecture
on a whaler from N. Bedford
when the Sturbridge sailed
& I was now too occupied, I
would put up the plants
for Fayal at once - Mrs W
remarked that they might
not keep alive so long - I
replied that plants sealed up
