

Dr D's tenants with
whom he had trouble
he should be called

Littlepie should be
asked about stories he
told of Dr D's quarrels &
He told me one about
a wood Sawyer of
whom Dr D asked how
much he was to have
for sawing the wood
he was at work on - he
replied 9 shillings - Well
said Dr D let me have
that - The man replied
he would not as it would
be all he had to get
bread for his family

In lecture Tuesday I
showed Expansion of
Water in a jar over
hot water & inflammable
the vapor -

Also Expansion of air in a
glass bulb & long tube in
water colored red
