

Would it not be well }
to ask Dr Holmes's
opinion of Ainsworth
as an anatomist

The woman who said
it was 10' before 2 is
a friend of L. & the
two boys' story must
have been tugged then
Dr L. entering and not
enter the M.C. lecture
thru' 2 part 1 - I had
not had time to clear
away the lecture table
or to change my coat -

Ask L. about my dress
when at work &
He often found me changing
my coat so just before
the time for lecture -

Dr Ainsworth - Dr Sumner
& others have found me in
my working dress
