

As I had a servant, but
he at my room, why
could not some one have
put them on & gone out
& been mistaken for me
on some of the times
I may be said to have
been seen?

In alluding to the many
stories in the papers which
have inflamed people, the
saw has been described as
"choked with gore" may
perhaps be noticed with
good effect both upon the
jury & the public.

L. d. has always gathered
up the dirty towels & had
them washed by his wife
or in his kitchen - Did she
ever see red stains on
them - Often
