

On Wed^g Othello was 7
played & that was the
evg I was as C. L. & went
out with Mrs Pence & it
was then Miss Lushman
played

Mrs W. strongly objected to
my going in to Dr. F. on
Sunday morning, said they
must hear about him,
which she made to go to
Chapel with the girls & to
go in after dinner - it was
with reluctance I yielded
thinking my informing them
would be a relief &c

Chemists often want
Phosphate of Lime - On
Bone earth for their use
Obtain it by burning bones -
also Animal Charcoal for
many color of crystals &c
