

Wife were not shown by the
schedule I gave R. G. S. it
was not a sale? he let me
have the money until I
could sell them & repay him

May it not be unfair to show
I had employed keep in my
family & that his work
all failed & ~~that~~ they had
to have it all done over
again by Dr. Peckham? & that
when I said (over) I told
him my mind & also
of his extravagant charges
The children can testify
the notes he filled for
them gave out 2.

Inquiry of Dr. Lewis as to such
sudden & absent & suspicious in
an innocent man would not
be likely to produce symptoms
like those I exhibited

And though some hopes I cherished once,
Perished untimely in their birth,
Yet have I been beloved and blest

Were answered in God's own best way.
