I will say nothing about L.C. or  
any one - or give any imputation  
merely explain the circumstances  
heaped up against me - & perhaps  
remark, that in some of them, evi-  
dence was ready in case my counsel  
deemed it necessary.

Mr

my  
action

I will request the Jury, which  
has given such currency to all  
the proceedings, may do me the  
favor of also reporting my address -  
& I propose to ask for leave of acquittal  
to be allowed to take the witness's  
hand & oath. Yours truly J.W.M.
