

amount which he kept saying give
his finding the world. - vice Dr Lewis
- his mind was prejudiced - & he looked to find a
method to establish what he had perhaps been
made to believe in advance

& no amount given about other blocks.

mem^o - when on the rest of the blocks - one set to be
more true of the other

'C' The mental bond among living in former

Dr. Ans. appears to be of no bearing
concerning any way.

D. The opinion of persons that the remains are
part of the body of Dr Parkman viz

15 Rebl. & Shaw	22 Chas. W. Vaughn
15 H.P. Starbuck	8 Chas. W. Cummings
16.17 J. & Blake	55 Dr. Woodbury Strong

Dr. Ans. 1. Some doubt of admissibility of the
evidence. It is of the nature of the testimony of
Experts; & these persons are without the requisite
qualifications

But if admissible, none in of the lowest
Species of proof. - no marks of identity - & of
course it only a mere conjecture.

E. By rendering it probable that the remains
found were parts of the body of Dr P. by
showing that they were found when
he was last seen alive. - as these
