

d. Incredible. Except upon the more than
full & stringent examination there such an
obvious crime could have been
meditated planned & carried out by
such an individual. So situated as Dr W. was.

e. incredible, except as fullest proof of the fact
that a man who had meditated - devised &
actually executed such plan as crime, could have
conducted as Dr W. did - both before & after
the supposed time of the commission of the offense.

Then from the occupation of Dr W. during
the week preceding 23rd - giving lectures, & otherwise
spending his time as usual - up to the very moment
when Dr P. went to the Medical College -

his conduct that evening at home - as
abroad with his wife at the Fredericks, with his
friends, Sunday Day & others.

his conduct & occupation during the
evening week -

Especially in connection with searches
& ineffectual searches at the College -
