

Rooms 2 or 3, for weeks within for

Monday 26 - Science P. Blake visited the college - between
p. 5 10 - 11 o'clock A.M. - was let in by Littlefield
for within.

Dr W. had on his working dress. (can find his
laboratory)

Monday 26. Charles W. Kiersey - went with Stackman then to
the Medical College & went over the building, except
Dr Webster's private room - The lecture room was
p. 21 locked - after a while Dr Webster opened it - he told
him our business - he made no reply - went to his lab
I was busy doing nothing ^{but} watching
The hour of the visit is not stated

Tuesday 27. Search was made - we went down the trap
p. 21 floor underneath the building, & searched till we
came to brick wall under Dr Webster's apartments
Dr Webster was there.

Saturday 28th
Monday 29th Littlefield followed Dr W through lecture
p. 25 room into his back room & made a fire there
about 8 o'clock A.M. - went back same way

Monday 26th Dr Samuel Robson went in, & Littlefield
says his wife told him about 8 o'clock through lower
p. 26-7 laboratory & he, Littlefield followed same way to
Sam or W & Dr P. conversing in Dr W's back
room - Littlefield went back same way
