

Tuesday 27. after 8 o'clock Littlefield went from
p. 27 Eddy, through lecture room into Dr W's
back room when the Dr was very busy, with
a fire already made - I did not go into
the lower room

Wednesday 28th Littlefield about 4 1/2 o'clock PM got into the
p. 28 lower laboratory through window - went into
fumeroles - found it covered up with the floor which
belonged to it - He - went to the boys beds with brown
sh - went up into his back room

again about 4 1/2 o'clock went through lower
p. 29 laboratory of Dr W's back room. Dr W. was
standing by his table with a newspaper

Thursday 27 - Littlefield
p. 34 went with Ellogg, Fuller, Rice & Hensley
to the college - Laboratory fastened - Dr lecture room
which was opened by Dr W. - went through lecture
room back room - and down to lower laboratory
how well state

Friday 26
p. 27 About 8 o'clock went into lecture room by unlatching
it from front entry
Monday 26 Dr Samuel Parkman about 10 AM
p. 56 Down from Littlefield, all was well fastened -
went through lower laboratory to Dr W's back
room. Dr W. was standing at table
