

Did the ~~father~~ Littlefield testify, before the
Jury, as to the ~~presence~~ call being in the mixture
which he used? Was it improperly? Was it
an afterthought suggested by the testimony of Dr.
Jackson that call was found in the alkali?
Was it designed by Littlefield to ~~be set~~ set
himself against suspicion that he had ^{first} scattered
the body in the sea water? No chemist would have
said to demand to potash, as they are ~~in~~
chemically incompatible. ~~See~~

Does not ~~the~~ Littlefield's declaration, ~~that~~
in the presence of a man on trial for his life, that
he had none, before the present of the turkey, given
him a penny, arouse great anxiety, and excite his
doubts to afford prejudice the jury? There is there
not an insinuation that Webster ~~was~~ was in
-triguing to make him an accomplice by the
present of a turkey?

Why did not Littlefield direct ^{his own} ~~the~~ attention and that
of the officers to the slit in the wall, as a ~~probable~~
more probable place of concealment than the walls
of the prison? Why the concealment of his suspicions,
when he deemed to have known, that the remains were
in the prison, concealed by ^{improperly} his treachery and energy
