(Plaint

43 Whereas called do say that Edward Lord Baltimore on the Seaven and twenty day of September Sixteen hundred Seventy Six by his Speciall Warrant bearing date the twelfth day of December Sixteen hundred Eighty three did grant his Lordship to Walter Dent the Father of the Plaint Elinor, that he by his Speciall Warrant bearing date the twelfth day of April Sixteen hundred and Seventy did accept the Same to the said Elinor and her Heirs for ever that the said Lord Charles Baltimore (the said Patrica being under age) and after the decease of the said Walter) did Surrender and Yeild forth that the said Tract cont the Manor of Pangaya aforesd formerly laid out by his Lordship whereupon the Writ aforesd issued out of this Court of Chancery returnable the twelfth day of February Sixteen hundred Seventy three directed to the Sheriff and Coroner of the said Walter to appeare in this said Court of Chancery to shew cause why the said Patent should not be cancelled as Lying within the Mannor &c. That the Grandfather of the said Walter appeared in this said Court by Mr John Lee his Attorney on the Eighth day of May and without any defence on the behalf of the Sd Lord the said Matthew Hill delivered the said Patent to the Court whereupon the said Court decreed the Same to be cancelled and of no force. That the Plaint Elinor or her mother nor her Guardian preferred a petition to Charles Lord Baltimore the Plaint Elinor being then about twelve years old to grant her four hundred Acres in the Mannor of Pangaya &c Lees of the said seven hundred and fifty Acres, That the said Lord did grant her four hundred Acres in Consideration of the said Surrender by his Patent bearing date the fifth day of June Sixteen hundred and Seventy Six Per Virg Hill Auditor. and further that they found they returne Copy for the Mannor of Pangaya before the 24th day of April Sixteen hundred Eighty Seven Being four years after Walter Dent Certificate and above a year after his Patent That upon the whole Matter if the Court do not think Walter Dent
